

❖ Frequent Buyer Program

Maxtec® is pleased to announce our new Frequent Buyer Program. Oxygen sensors, similar to batteries, generally have a small amount of lead inside. While taking care of our loyal customer base by encouraging repeat business, we can do our part in taking care of the environment.

How it works:

1. Contact your Maxtec® Sales representative and tell them you want to participate in the Frequent Buyer Program. A Frequent Buyer box will be shipped to your location.
2. Once you have received the Frequent Buyer Box, fill out all information fields on the form below.
3. Gather 12 of your used **Maxtec®** sensors and ship them back to us at: (or work with your local sales rep to handle for you)
Maxtec®, Inc.
6526 South Cottonwood Street
Salt Lake City, UT 84107
4. Upon receipt of your old sensors, we will send back to you a **FREE SENSOR** of your choice.* (Please be sure to indicate which sensor you would like to receive on the form below). For a complete list of sensors, visit our website at www.maxtecinc.com or call us directly at **866.4.Maxtec**.

*Free sensor valued less than or equal to \$200.00 (list price). Valid through Jan 1, 2008

Name _____ Company/Hospital _____ Date _____
 Street Address _____ City _____ State _____ Zip _____
 Phone (____) _____ - _____ Fax (____) _____ - _____ Email _____

Yes, I would like to receive a **FREE** sensor in exchange for returning the included 12 used Maxtec sensors.

Please mark the sensor you would like to receive free of charge:
