

❖ Frequent Buyer Program

Maxtec® is pleased to announce the continuation of our successful Frequent Buyer Program. Oxygen sensors, similar to batteries, generally contain small amounts of lead. While taking care of our loyal customers, we can also do our part in taking care of taking care of the environment.

How it works:

1. Contact your Maxtec® Sales representative and tell them you want to participate in the Frequent Buyer Program. A Frequent Buyer package will be shipped to your location.
2. Once you have received the Frequent Buyer package, fill out all information fields on the form below.
3. Gather 12 of your used **Maxtec®** sensors and ship them back to us at: (or work with your local sales rep to handle for you)
Maxtec®, Inc.
6526 South Cottonwood Street
Salt Lake City, UT 84107
4. Upon receipt of your old sensors, we will send back to you a **FREE SENSOR** of your choice.* (Please be sure to indicate which sensor you would like to receive on the form below). For a complete list of sensors, visit our website at **www.maxtecinc.com** or call us directly at **866.4.Maxtec**.

*Free sensor valued less than or equal to \$200.00 (list price). Valid through Jan 1, 2010
